Mick De Giulio has created distinctive kitchens worldwide for over 40 years. His residential and commercial work has been extensively featured in leading design publications.

Bacifiore® 24" Apron-Front Butler Sink
L20513-00 PDS

FEATURES & BENEFITS

- The angled walls and corner drain of the Soltiere® and Multiere® sinks maximize usable basin space and storage space under the cabinet
- The task-oriented accessories of the Soltiere and Multiere sinks include a flatware tray for rinsing cutlery and a plantation teak cutting board, with additional accessories available on certain models.
- Handcrafted Bacifiore® sinks feature a distressed, polished finish
